Summary of Municipal Ordinances

Pet Ordinances

The City of Hallsville requires a license for all dogs and cats over the age of six months. Pet owners must show proof of an up-to-date rabies vaccination and pay a fee of $3.00/year for those pets spayed/neutered and $5.00/year for pets that have not been spayed/neutered. Municipal ordinance requires that the issued license be placed on the pet's collar. This allows the City to locate the owner should the police department pick up the pet. Pet tags are renewed in August of each year. Any person violating, neglecting or refusing to comply with the requirement to purchase a City animal license shall pay an additional fee of twenty-five ($25.00) dollars at the time the license exceeds 60 days past one (1) year. Dogs running at large are prohibited. If your dog is picked up or turned into the Police Department for running at large there is a boarding cost of fifty dollars ($50.00) for each day. The fee is in effect at the moment of collection of the dog(s) and is in addition to the citation the owner will receive upon claiming of the animal.

Barking, annoying dogs are not allowed. Ordinances also require proper food and water, proper shelter from the elements, and proper care of pets. A maximum number of four pets (cats, dogs, or cats and dogs) are allowed per household.

Public Nuisances

The City of Hallsville has a comprehensive public nuisance ordinance designed to protect the rights of property owners within our city by prohibiting certain actions that would create unacceptable conditions for surrounding area residents. A complete copy of this ordinance is available for viewing at City Hall.

The following is a short list of some of the areas affected by this ordinance. All motor vehicles must be currently licensed. Accumulations of trash, leaves, grass, or other items are not allowed. No outside storage of appliances. No maintaining any odor emitting substance and no outside bathrooms are allowed. Pools of water are not allowed, nor is the growth of grass and weeds allowed to exceed 7 inches in height.

Other Ordinance Information

The City of Hallsville has ordinances regulating the maximum speed allowed on its streets. That information is posted on street signs. Loud, excessive, unnecessary noise is not allowed. The City has ordinances dealing with a number of criminal violations such as stealing, property damage, trespassing, assault and possession of marijuana and possession of drug paraphernalia.
