2020 Fourth Quarter Newsletter

From Alderman Stephen McLane

Greetings from Ward 1. First, I want to say thank you for your support during the last election. The turn out was way more than expected during the upside-down year we have had. I guess I should take a minute to introduce myself to those who don't know me. I am a third generation

Hallsville High School graduate and have lived my whole life in the same 6-mile circle that my dad and grandfather lived their lives. I have been serving the community as a member of the Boone County Fire District for over 30 years and currently in my 26th year of state government service. This is my second tour as City Alderman.

One of the many tasks the Board of Aldermen do every year is, of course, spending your tax dollars as efficiently and judiciously as possible. Like many of you the budget seems to get tighter every year with the cost of materials going up and we try to reward city staff with wages that are competitive and fair. Also, like many of you we sometimes must find ways of boosting our income to offset these rising costs.

One-way we can offset these costs is to cut spending. Every year we look at our goals and the projects that need completing. The list of what we can afford to do and stay within our budget just keeps getting smaller. The other way is by raising taxes or creating new taxes. No one likes this idea, but sometimes it just makes the most sense. After much discussion and investigation, we discovered a tax that many neighboring communities have that we are not using. A Use Tax.

What is a Use Tax? Well, it is a tax applied to the purchase of goods, by Missouri residents and businesses from out-of-state vendors. This is typically applied to online, catalog and direct market sales from out-of-state vendors. This tax is applied to out-of-state purchases where no sales tax is currently charged. This tax does not apply if the purchase is from a Missouri retailer and is already subject to local sales tax. The revenue from this tax can be used to support many city functions such as infrastructure improvements, public safety, or park maintenance.

Internet sales are estimated at 12% to 15% of all retail sales in the United States. On-line purchases should be collecting the same tax for the betterment of our community as our local brick and mortar stores. Items purchased from Missouri vendors would not be subject to this tax as the goods are taxed elsewhere. We are hopeful that if this tax passes we can complete some additional city projects starting next fiscal year.

If you have any questions about Question #1 (the Use Tax) that will be on the November ballot please don't hesitate to reach out to any of the Aldermen, the Mayor, or City Administrator.

Stephen McLane, Alderman Ward 1

From Alderman Tony Lindsay

I would like to thank all of you for allowing me the privilege to serve my community as Alderman – Ward II. I have enjoyed my time serving on the Planning & Zoning Commission and Board of Adjustments but look forward to what is ahead in my new role. Working for a better tomorrow is something I am very passionate about. We are seeing great growth and new opportunities in our growing town. With this growth, comes some growing pains.

High speed internet will be great once installed and operating but getting through the construction phase of installation can be trying to say the least. Neighborhoods under construction can be aggravating at times but enjoyed greatly when completed. We have many issues still before us and I am eager to do all I can to resolve as many as possible. I intend to be available as much as possible to discuss issues with my townspeople as you find necessary to discuss. While I may be Alderman Ward II, I feel I serve all of my greater community in the decisions we make.

Please reach out to me if you have concerns or issues with our wonderful community. I hope to make it better for all of us today, tomorrow, and in the future. Thank you!

Tony Lindsay, Alderman Ward II

*Highlighted trash pick-up: Regular trash pickup; Saturday dumpster pickup; Bulky trash pickup

Trash

- Trash pick-up is Wednesday and should be set out at the curbside the night before.
- No yard waste or brush is allowed in your trash collection.
- Dayne's will pick up trash on all holidays except Christmas Day.
- Bulky trash day is the third Wednesday of every month.

RECYCLING BIN INFORMATION

You do not need to use any bags when using the recycling bin at the Community Center.

They expect all material in the dumpster to be recyclable. Please keep in mind that plastic bags are not recyclable, so they encourage using a cardboard box or reusable plastic tub to help transport your material to the bin location. If you decide that plastic bags are more convenient, at this time you can still throw the bag of recycled material in the bin.

There is still littering citations being issued for leaving recyclable items and/or trash on the ground around the bin. If the bin is full, please do not leave your recycling outside of the recycling bin.

Utility bill payment options

ONLINE Payments

On the City's website Hallsvillemo.org you can choose Payment Options – Click the red "Pay Your Bill Now" button and have your account number handy. You can pay your bill 24/7. We accept Visa, MasterCard, and Discover.

Payments by Mail

If paying by check or money order, you can mail your payment to City of Hallsville P.O. Box 170 Hallsville, MO 65255. Do not forget your payment coupon or to put your account number on your check.

ACH Payments

The City will automatically withdraw the City utility bill amount from your bank account on the 10th day of each month. This will help to avoid late fees that are posted on the 11th. You will continue to receive your monthly statement showing the amount due and your bill will state 'DO NOT PAY'. Come into City Hall to get an ACH application or call to have one emailed or faxed to you.

Payment Drop-off Location

You may pay your bill in person at City Hall. We accept cash, check, money orders, and credit/debit cards. To pay after hours there is also a drop box for your payment.

City of Hallsville bills are due by the 10th of each month. A 5% late fee is assessed on the 11th. Accounts not paid by the 20th will be assessed a \$35.00 nonpayment fee and service will be subject to disconnection.
