

From the Chief's Desk

On behalf of the officers of the Hallsville Police Department, I wanted to take a moment to thank the Hallsville community for the outstanding support our department has received. The HPD's mission is to preserve public safety and quality of life within the City of

Hallsville, to respond effectively to the changing needs of the community, and to promote mutual respect between the Police Department and the people we serve. From the officers on patrol to the officers in our schools.

The City of Hallsville has hired a new Police Officer named Cody Schmitz. Officer Schmitz has been a member of the Missouri Army National Guard since 2008 and has 6 years of law enforcement experience. Officer Schmitz's primary duty will be acting School Resource Officer (SRO) for the Hallsville School District.

The HPD has recently started a Facebook page, Hallsville Missouri Police Department. You may have read of several recent arrests made by HPD and cannot be blamed for thinking that there has been a spike in crime. The truth is, the work that HPD does for the community has always remained consistent. The addition to the Facebook page has allowed us to better inform the public of the work that we do on your behalf.

A reminder for those parents who take their children to school. The west side entry drive of the Intermediate School drop off/pick up parking lot will be a NO LEFT TURN at the beginning of the school year. There will be a new sign in place near the entrance. Enforcement of this signage WILL be enforced. All drop off/pick up traffic must come from the east side of the school parking lot. This is an ongoing effort to control the traffic flow on a narrow road that was not built for the amount of traffic it now sees. Your cooperation also ensures that we keep a lane of travel open for emergency responders to quickly transit through the area.

Lastly, I am very proud of the work that the Police Foundation of Hallsville has been able to do and has planned to do in the future. The Foundation recently donated bleachers and concrete to Tribble Park by the ballfields. We are currently working on a project to get Hallsville relit for Christmas, a youth fishing event this year or the next (stay tuned!), other upcoming youth activities, and our yearly #PinkPatchProject Cancer Fundraiser. Check the flyer in this newsletter for more information on that event. As always, Stay Smart, Stay Safe.

The Hallsville Park Board

The Hallsville Park Board has experienced many changes over the last year. Members have left and new members have joined. The City would like to extend our gratitude to Dan McCaleb & Missi McCaleb (a previous Park Board Chairperson), Steven Durk & Alaina Durk (another previous Park Board Chairperson) and Kena Forbis for their service. The new members include Trynton Roberts, the new Chairman, and Tom Payne. Laura Moss has been on the Park Board since 2016. Park Volunteers are Heather Schultz, Kenyetta Ridgway-Sample, and Katie Sexton. The Park Board is a nine citizen board. You can pick up an application at City Hall if you would like to join. If you decide that plastic bags are more convenient, at this time you can still throw the bag of recycled material in the bin.

Littering citations are still being issued for leaving recyclable items and/or trash on the ground around the bin. If the bin is full, please do not leave your recycling outside of the recycling bin.
