City of Hallsville Budget Message July 1, 2022 to June 30, 2023

The purpose of the budget message is to provide information regarding the budgeted receipts and expenses of the City of Hallsville for the fiscal year to end June 30, 2023.

The City's bookkeeping is maintained on the cash basis of accounting whereby receipts are recognized as income in the period received and expenses are recognized as expenses in the period paid. The Budget is prepared based upon this same accounting method.

The City maintains basic fund groups. The following fund groups are classified as Governmental funds:

- o General Fund Basic City functions primarily funded by property taxes and sales taxes. The primary functions included are administration, police, and public works.
- o Special Revenue Funds—The City maintains several special revenue funds used to track the revenue and expenses of the City's activities not included in the General Fund.

Additionally, the City maintains *Enterprise Funds*. These funds are primarily the Water fund and the Solid Waste fund that provide utility services to the citizens of the City of Hallsville. These utility funds are intended to be self-supporting through usage fees charged for the utility services.

In accordance with Section 67.010 of the Revised Statutes of the State of Missouri, and Section 130.020 of the Hallsville Code of Ordinances, the budget message for the fiscal year July 1, 2022 to June 30, 2023 is hereby submitted.

City of Hallsville Revenue Assumptions July 1, 2022 to June 30, 2023

The following is a list of significant assumptions and planning issues used in the development of the Budget:

Revenue Assumptions

o The City is anticipating the following property tax rate for the fiscal year:

General \$0.5399

The property tax rate is assessed based upon every \$100 of assessed valuation. The approximate anticipated assessed valuation totals \$25,522,810.00 for 2022. During the last fiscal year, the City collected 98% of property taxes assessed. The City is anticipating collecting most property taxes assessed.

- o The City's sales tax revenue is based on a \$.01 sales tax rate. The sales tax collections are expected to remain stable during the fiscal year.
- The City's capital improvement sales tax revenue is based on a \$.005 sales tax rate. The capital improvement sales tax was passed in November of 2016 and funds were first received in May of 2017. The sales tax collections are expected to remain stable during the fiscal year.
- The City's park/stormwater sales tax revenue is based on a \$.00125 sales tax rate. The park/stormwater sales tax was passed in November of 2016 and funds were first received in May of 2017. The sales tax collections are expected to remain stable during the fiscal year. On June 14, 2021, the Hallsville Board of Aldermen voted unanimously to split the park/stormwater sales tax revenue 50/50 between the two funds.
- o The City also has revenue from various franchise fees, permits and fines. The franchise fees are expected to remain stable during the fiscal year, the permits are expected to increase due to expanding subdivisions that were approved to be developed in 2017 and 2021.
- The City anticipates no change in water rates for 2022/2023. Rates were raised from \$10.25 to \$13.35 for the first 1,000 gallons during the 2017/2018 fiscal year and from \$13.35 to \$17.00 for the first 1,000 gallons on June 13, 2022. The City purchases all its water from Public Water Supply District #4.
- o The City sold the wastewater utility on February 25, 2022, to Missouri American Water Company for \$2,500,000.00. The qualified voters of the City of Hallsville voted in favor of the sale during the November 5, 2019 election.
- The City received \$159,107.92 from The American Rescue Plan Act on September 3, 2021, and an additional \$1,533.18 on March 10, 2022. The City used \$23,250.00 on November 11, 2021, for Premium Pay. The City anticipates receiving the remainder of ARPA funds of \$159,107.92 in September of 2022.

City of Hallsville Expense Assumptions July 1, 2022 to June 30, 2023

• Expense Assumptions

O Salaries and Benefits: The City maintains employees who perform administrative, police, public works, and utility services to the citizens of the City of Hallsville. The salary cost of these employees has been budgeted to the fund that the employee performs most of their services. However, the administrative and public works employees provide substantial services to the City's enterprise funds.

Because of this, transfers have been included in the budgets that are intended to compensate the General Fund for this situation.

- The increase to salaries is approximately 12% over the prior year.
- Payroll taxes are based upon an estimated 7.65% overall tax rate.
- The City provides health insurance and retirement benefits to its full time employees.
- The overall Total Personnel Services has an increase of approximately 12% over the prior year.

Debt Obligations:

General Obligation Bonds – Sewer – This item included general obligation bonds paid by sewer revenue. The General Obligation funding was used to improve the City's sewer system. Pay Off Date: September 2033. With the funds from the wastewater utility sale to Missouri American Water Company, the City paid the sewer bond debt of \$1,123,989.57.

Lease Purchase Agreements:

- The City entered into a lease purchase agreement with Farmers Bank & Trust to purchase real estate that consists of a 9,600-square foot light industrial building for use by the Public Works Department. The A.P.R. was 4.240%. The total amount of the loan was \$376,500.00. The lease purchase was paid by Capital Improvement Sales Tax funds. Currently the City is renting out two units for \$400.00 a month each plus utilities. Pay Off Date: September 2038. The City used \$332,025.83 from the sale of the wastewater utility to pay the lease purchase in full and saved approximately \$162,254.74 in interest payments.
- The City entered into two lease purchase agreements with Central Bank of Boone County to purchase two 2019 4-WD Tahoes to be used as police patrol vehicles from the City of Huntsville, Missouri. The A.P.R. was 4.200%. The total amount of each loan was \$45,000.00. These lease purchases were paid by Capital Improvement Sales Tax funds. Pay Off Date: September 2024. The City used \$70,386.90 from the sale of the wastewater utility to pay the lease purchases in full.

The Debt Obligations and Lease Purchase Agreements were both paid off in fiscal year 2021/2022. They will have no effect on the current fiscal year 2022/2023.
