City of Hallsville
Budget Message
Fiscal Year: July 1, 2025 – June 30, 2026

This budget message provides a comprehensive overview of the City of Hallsville's projected revenues and expenditures for the fiscal year ending June 30, 2026.

The City prepares its budget using the cash basis of accounting, where revenues are recognized when received and expenses are recorded when paid. This method aligns with the City's standard accounting practices and is consistently applied throughout this budget.

The City's financial structure includes the following fund groups:

Governmental Funds

These funds are used to support the City's core operations and services:

- **General Fund** – The primary operating fund of the City. It is supported mainly by property and sales taxes and provides funding for essential services including administration, police, and public works.
- **Special Revenue Funds** – These funds are designated for specific purposes and track revenues and expenditures not included in the General Fund.

Enterprise Funds

The Water Fund and the Solid Waste Fund provide essential utility services to Hallsville residents. These funds are designed to be self-sustaining, with operations funded through user service fees rather than tax revenues.

This budget message has been prepared in accordance with Section 67.010 of the Revised Statutes of the State of Missouri and Section 130.020 of the Hallsville Code of Ordinances.

I hereby respectfully submit the City of Hallsville's budget for the fiscal year July 1, 2025, through June 30, 2026.

City of Hallsville
Revenue Assumptions
Fiscal Year: July 1, 2025 – June 30, 2026

The following outlines key revenue assumptions and planning considerations used in the development of the City of Hallsville's annual budget:

Property Tax

- The City anticipates a property tax rate of \$0.5250 per \$100 of assessed valuation.
- The estimated 2025 assessed valuation is \$30,766,935.
- Based on prior collection performance (99.6% in the previous fiscal year), the City expects to collect most of the property taxes assessed for this fiscal year.

Sales Tax

- The base sales tax rate remains at 1.00%.
- An additional 1.00% sales tax, approved by voters in April 2023 and received starting October 2023, is designated exclusively for the Hallsville Police Department.
- Overall sales tax collections are expected to remain stable throughout the fiscal year.

Capital Improvement Sales Tax

- A 0.50% capital improvement sales tax, approved in November 2016, has been in effect since May 2017.
- Revenue from this tax is expected to remain consistent during the fiscal year.

Park/Stormwater Sales Tax

- A 0.125% park/stormwater sales tax, also approved in November 2016, became effective in May 2017.
- On June 14, 2021, the Board of Aldermen voted to allocate 50% to parks and 50% to stormwater improvements.
- Collections are expected to remain steady for the upcoming year.

Franchise Fees, Permits, and Fines

- Revenue from franchise fees is projected to remain stable.
- Building permits are expected to remain unchanged, with moderate growth anticipated from new subdivision development.
- Fines are projected to be consistent with prior years.

Water Revenue

- The City purchases all water from Public Water Supply District #4 (PWSD#4).
- Under the 2023 agreement:
 - The rate increased from \$3.00 to \$3.15 per 1,000 gallons on October 16, 2023.
 - From May 1, 2024, to April 30, 2025, the rate increased to \$4.25 per 1,000 gallons.
 - Beginning May 1, 2025, and annually thereafter, the rate will increase by \$0.25 per 1,000 gallons.
- To account for ongoing increases in wholesale water costs from Public Water Supply District #4, a corresponding adjustment to consumer water rates is anticipated every 3 to 4 years.
- The most recent rate adjustment was adopted by ordinance on July 8, 2024:
 - The minimum user charge per billing cycle increased from \$17.00 to \$20.00 for the first 1,000 gallons.
 - The per-thousand-gallon rate beyond the first 1,000 increased from \$7.50 to \$13.25.

These adjustments help ensure the City's water utility remains self-sustaining and aligned with wholesale rate changes.

Wastewater System Sale

- On February 25, 2022, the City finalized the sale of its wastewater utility to Missouri American Water Company for \$2,500,000. This transaction was authorized by voter approval during the November 5, 2019, election.

American Rescue Plan Act (ARPA) Funds

- The City received \$321,282.20 in ARPA funds in 2021 and 2022. As of this budget cycle, the City has fully expended its allocation of American Rescue Plan Act (ARPA) funds. All expenditures have been reported to the U.S. Department of the Treasury in accordance with federal reporting requirements.

City of Hallsville
Expense Assumptions and Planning
Fiscal Year: July 1, 2025 – June 30, 2026

Expense Assumptions

Salaries and Benefits

The City of Hallsville employs staff in Administration, Police, Public Works, and Utilities to serve the community. Salary costs are budgeted within the fund where the employee performs the majority of their work. However, Administrative and Public Works staff also provide significant services to the City's enterprise funds. To address this, interfund transfers have been budgeted to reimburse the General Fund accordingly.

- Total salaries increased by approximately 1.34% over the prior fiscal year, due to the following staffing adjustments and compensation changes:
 - Police Department: Increased approximately 4.54%.
 - Public Works: Increased approximately 6.05%.
 - Administration: Increased approximately 7.06%.
 - These increases reflect a 3% Cost of Living Adjustment (COLA), along with merit raises ranging from \$1.00 per hour for employees who consistently exceeded expectations to \$0.50 per hour for those who exceeded or met expectations.
 - Payroll taxes are budgeted at an estimated 7.65% of total payroll.
- Health insurance and LAGERS are provided to all full-time employees.
- As a result, Total Personnel Services increased by approximately 7.28% over the previous fiscal year, which is a notable reduction compared to the 21.70% increase reflected in the 2024/2025 fiscal year budget.

Lease Purchase Agreements

The City entered into two lease purchase agreements with Central Bank of Boone County to acquire vehicles for the Police Department purchased from the City of Huntsville, Missouri during the 2024/2025 budget.

- Purchased Vehicles:
 - One 2022 4-Wheel Drive Tahoe
 - One 2019 4-Wheel Drive Tahoe
- Loan Details:
 - Amount: \$60,000 per vehicle
 - Annual Percentage Rate (APR): 6.090%
 - Funding Source: Public Safety Sales Tax
 - Loan Maturity Date: December 2028
