Consumer Confidence Reports

Don't forget to check out the City of Hallsville's Consumer Confidence Report. You can access the CCR here: <https://www.dnrservices.mo.gov/ccr/MO3010340.pdf>, or here: www.hallsvillemo.org/water-quality-report, or a hard copy is available upon request at City Hall, 202 Hwy 124-E, Hallsville, MO.

Trash Reminders!

Trash pick-up is Wednesday and should be set out at curbside the night before.

NO yard waste, brush, or construction debris allowed in your trash collection.

Remember: Dayne's no longer dumps trash cans larger than 44 gallons. If your container is larger than 44 gallons everything must be in bags. Bags must be 13 gallon or larger and weigh 50 lbs. or less. Trash cans 44 gallons or less will still be dumped as normal as long as they don't exceed 50lbs. Bulky Trash Information:

Bulky trash items include furniture, mattresses, and other sizable waste material that two men can lift. Refrigerators, ice makers, and window air conditioners need a certificate from a technician certifying removal of Freon from the appliance.

Note from City Hall

The last day of summer school is June 30th but the first day of summer was officially June 21st!

Here are some basic tips to stay cool in the summer:

1. Stay hydrated even if you don't feel thirsty.
2. Keep your skin products in the fridge.
3. Wrap a cold wet towel around your neck.
4. Close the doors to unimportant rooms.
5. Dress in light, loose, light-colored clothing.
6. Try to avoid the sun from 11:00 a.m. to 3:00 p.m.

The City of Hallsville put out the completed 2022 Comprehensive Plan. You can find it here: <https://hallsvillemo.org/2022-comprehensive-plan>
