2024 Water Quality Report Consumer Confidence Report

The 2024 Water Quality Report (Consumer Confidence Report) for Hallsville is available for review at www.dnr.mo.gov/ccr/MO3010340.pdf, at www.Hallsvillemo.org and at City Hall. If you would like to receive a paper copy, please call City Hall at 573-696-3885 or stop by City Hall at 202 Hwy 124-E during normal business hours.

Understanding the Quality of your Water

Consumer Confidence Reports (CCR), also known as water quality reports or drinking water quality reports, provide you with important information about the quality of your drinking water. The U.S. Environmental Protection Agency (EPA) requires every community water supplier to provide a CCR to its customers. Community water suppliers must provide CCRs to their customers by mail or online.

A lot draw brings a fresh perspective to Ward 2!

On Monday, May 19th, the Board of Aldermen officially certified the election results from April 8, 2025. Alderman Trynton Roberts was sworn in for a two-year term representing Ward 1, while Terry Bodine, who won as a write-in candidate with two votes, was sworn in for a one-year term in the same ward.

The meeting also addressed a notable occurrence in Ward 2, where a three-way tie among write-in candidates Bryan Wildenhain, Michael Howard, and James Reddick necessitated a lot drawing. James Reddick was selected and assumed the Ward 2 seat for a two-year term.

Alderman Roberts

Alderman Bodine

Alderman Reddick

Ward 1's Alderwoman Carli Carmack and Ward 2's Brandon Bickhaus decided to hang up their hats instead of running again! The City extends a big thank you for their service! We'll sure miss their sunny smiles lighting up our second Mondays each month!
