

HALLSVILLE NEWS & VIEWS

Meet your Hallsville Officers

Chief Bryan Schultz

Following graduation from Hallsville High School, I enlisted in the United States Army before pursuing and successfully completing my training at the Fullerton Police Academy. I dedicated 22 years to serving as a Deputy Sheriff at the Napa County Sheriff's Department before returning to my hometown of Hallsville. I became a police officer for the HPD in 2018 and officially took office as Chief in February 2019.

Sergeant Thomas Crawford

I have been in Law Enforcement for 10 years, serving both local and federal law enforcement. I enjoy working for the Hallsville Police Department because the community that they serve feels like family, everyone knows everyone. I left working in Sturgeon to come to Hallsville because of the people and the staff at the City are friendly and great to work with.

SRO/Police Officer Ryan Hill

I have been in law enforcement for 17 years. I was part of the 932nd Airlift Wing in the USAF. I am currently a School Resource Officer, Certified School Safety Specialist, and a Non-Violent Crisis Intervention Instructor. I enjoy traveling, movies, and family time. I choose to work in Hallsville to be a part of the school community and build positive relationships with both the students and staff of the Hallsville School District.

Police Officer Myron Woodson

I have been in law enforcement for 4 years. I was part of the 563rd Medical logistic in the U.S. Army. I worked as a Corrections Officer in the Moberly Prison, where I was a member of the Crisis Emergence Response Team, (CERT) while working as a Corrections Officer in the position of Gang Task Force Coordinator. I was a member of America NCCC that responded to Hurricane Katrina. I enjoy spending time at home with my family and watching Marvel Movies. I choose to serve the City of Hallsville for the leadership and the positive support from the community.

Police Officer Lance Ketchum

After completing my P.O.S.T certification in 2008, I transitioned from law enforcement to the construction industry. However, I soon realized my passion for helping others and upholding public safety was unfulfilled. My time at Hallsville has been rewarding, even in this brief period. The decision to join the HPD stemmed from my appreciation for the community atmosphere Hallsville offers, where residents have been exceptionally supportive. The tight-knit community spirit, with neighbors always ready to assist one another, is a defining feature that I value.

Part-time Police Officer Devin Stevenson

My name is Devin Stevenson and I've been a police officer for 6 years. I've been serving in the Boone County area for 4 years now, and have been with Hallsville PD for 4 months. I'm a Drug Recognition Expert (DRE), Taser Instructor, OC Spray Instructor, and currently act as HPD's go-to IT guy. I came from a small town police department, where I truly valued the connections of community policing. Hallsville absolutely resembles that small town feel, and I hope to recreate those connections here.

Meet your Hallsville Officers - continued

Reserve Police Sergeant Todd Burke

My wife and I graduated from MU and we have been members of the emergency services community (Police, Fire, and EMS) in Boone County for over 40 years. I have served the Hallsville community since August 2005 because protecting others is part of our DNA and a smaller, more personal community where "old world" values and beliefs are still practiced is important and this greatly appeals to us.

September 2024

- **September 4th:** Brace yourselves for the emergency siren test at high noon!
- **September 9th:** The Board of Aldermen will be having a pow-wow at 7:00 P.M. at City Hall.
- **September 10th:** Heads up! Automatic payments will be zipping out of accounts today.
- **September 11th:** Time to pay up! A cheeky 5% penalty will be tacked onto unpaid bills.
- **September 22nd:** The grand entrance of fall!
- **September 22nd:** A big happy birthday shoutout to our Public Works Assistant Tyler Spears. Let's just keep that age a little mystery, shall we?
- **September 23rd:** Watch out! A \$35.00 nonpayment fee will be slapped onto overdue City bills, and service disconnections might be looming!
